Andrew,

I've made these edits to the master files (word and excel files on sharepoint). I simplified a couple of the edits for consistency (which also made for less rework of the response template). The attached file shows a tracked change version of how the edits were made. This file is in an archive folder on Sharepoint.

Hi Andrew,

Yes, I will update the master file with these changes; however, I may not be able to get to this until tomorrow.

Thanks!

Jason

Hi Jason,

I was asked to share the 114 request with our economists. Just a few minor comments/additions for us. Could you take a shot at reviewing and adding in?

Hi Andrew:

I've added some questions on costs, and a few minor edits. Please let me know if you have questions. Thanks.
